

"SUSTAINABLE COMMUNITY.... FOR A CHANGE!"

PERMACULTURE DESIGN TEACHER TRAINING

March 25, 2012 - April 1, 2012

In this dynamic and interactive course, you will learn significant teaching techniques to communicate Permaculture principles and strategies in a wide variety of educational settings.

Our goal is to encourage and inspire your unique strengths and talents by demonstrating diverse teaching modalities such as lecture, facilitating class discussions, storytelling, and using visual aids.

Tuition & Site Costs \$900.00

Tuition \$650.00
